HOPE

A four letter word, also signifies the four elements that make up our living world, the **Sun**, the **Wind**, the **Earth** and the **Water**.

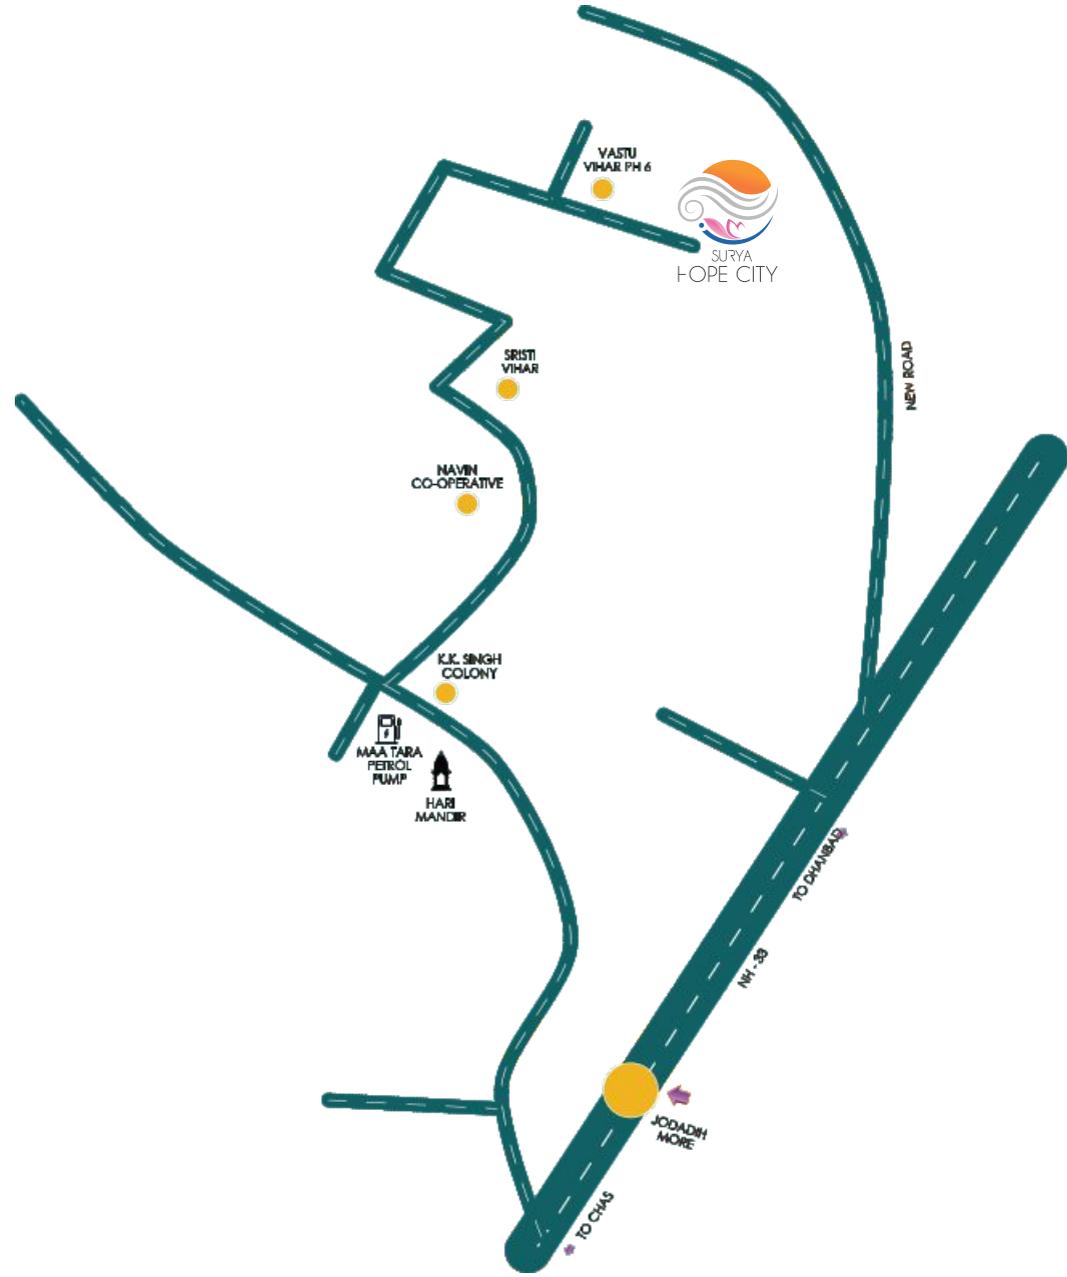

The outline floats on the base of the element Water which gives birth to life symbolizing the Mother Earth. The Lotus, known for its immaculate beauty even in the worst of conditions and the same life is nurtured by the rest of the natural elements, the Wind and the almighty Sun; the true givers of all that is good and pure.
